***Response to Applicant's Miscellaneous Letter received on 7/22/2005***

1. The Office Action dated 6/28/2005 set as shorted statutory period of one month to reply to the restriction requirement. The Applicant's letter of 7/22/2005 did not include an election between the three separate and distinct inventions, therefore it is not a proper response to the restriction requirement. The time period to respond to the restriction requirement ended on 7/28/2005. In order to provide a complete response the Applicant must make an election between the inventions AND pay an extension of time as set forth in 37 CFR 1.136(a) from the 7/28/2005 response date. In no event will the reply be considered timely if filed after six (6) months from the mailing dated of the original Office Action dated 6/28/2005.

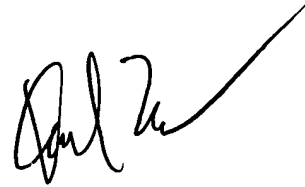

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Karl I.E. Tamai whose telephone number is (571) 272 - 2036.

The examiner can be normally contacted on Monday through Friday from 8:00 am to 4:00 pm. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mr. Darren Schuberg, can be reached at (571) 272 - 2044. The facsimile number for the Group is (571) 273 - 8300.
